

## Comparing Two Journeys: Oregon Trail vs. Early Colonial Settlement

Use the Venn diagram below to compare and contrast the experiences of pioneers on the Oregon Trail (1840s–1860s) with those of Early Colonial Settlers (1600s–1700s). Write key facts, challenges, and lifestyle details in the appropriate sections of the diagram.

In the left circle, write facts unique to the Oregon Trail. In the right circle, write facts unique to Early Colonial Settlement. In the overlapping section, write things both groups had in common.
